II. B. Benefits (continued)

Benefits: Each Component will have, for their convenience, a list from which to schedule employees to comply with Reg.

III. A. Category: Training

Subcategory: Language

Element: Statistical Report

System Description: A numerical tabulation of language training for two selected periods used for comparison. The report was by Office or Division listing all languages. It was needed to provide statistics for a report to the Executive - Comptroller.

B. Benefits

Because of the time factor this report could not have been produced manually. It provided the Office of Training with the necessary information to prepare an analysis of language training requested by the Executive-Comptroller.
